Sir,

I would like to bring to your knowledge about the OLA company as follow.

1. There is no office in Chennai.
2. There is no customer care in Chennai.
3. Very low price with the competition, not even comparing to AUTO.
4. Bike taxis should be banned from OLA and UBER.
5. There is no parking facility at Chennai International and Domestic Airport.
6. Police imposed charging fine to the Ola Drivers, due to non availability of parking inside the Airport Campus.
7. Drivers are fined Rs 250/- from the fast-track company.

(P.T.O)

8. At least a meeting should be conducted with Ola and UBe, with union members and with Transport commissioner. Every month.

9. Drivers ID's blocked for the strike season. Because Drivers get somewhat Displeasure.

Thanking you

Yours sincerely
